Chapter 2 by thepinkdolphin

Maybe I had passed out or something, but I didn't remember this clan. In fact, I didn't even remember my name or who I am or.....anything in that matter. What happened??? I need answers.

Chapter 3 by Spirit

Now as a lone tiger, I was horribly lost. I needed a tribe to survive. A lone tiger had trouble hunting, and keeping myself alive. We needed each other, and I needed them.

However, even if I didn't have a tribe at the moment, the first thing I need to do is survive. I needed to hunt, I had no idea how long I had been asleep. I did know one thing though, I was hungry. Without a tribe to help me, I knew that it would be hard to take down some prey, but I

had to try.
